### **Most Memorable Experiences:**

I had the amazing opportunity to co-represent the ASRT Patient Shielding Task Force with Dr. Kristi Moore and Mr. Brandon Smith at state and national conferences this year in Alabama, Georgia, Louisiana, Mississippi, Nevada, New York, Pennsylvania and Tennessee. I feel so fortunate to be a part of this task force and I am incredibly proud of the work we've done over the past two years.

**Closing Remarks:**

As I complete my 5th year of Board service, I remain as excited and eager as ever to work hard on behalf of this great organization, its members, and all medical imaging and radiation therapy professionals. Our Board of Directors continues to do meaningful and impactful work that promises to make real strides toward elevating the widespread recognition of the amazing work our professionals do every day. It's been such an incredible honor to be a small part of the Board's work this past year, and I am truly grateful for the continued opportunity to serve. Thank you!
